

DECOLED AURORA™

A-LAMP GLASS

Line voltage LED A60 retrofit

High efficacy A60 retrofit medium base LED lamp inside a glass envelope.

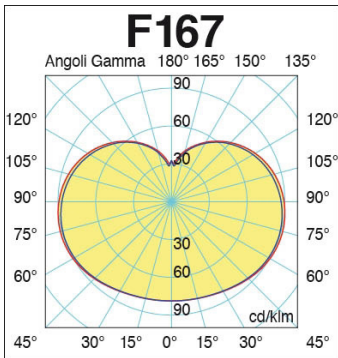

Key Features

- DECOLED Aurora Bulbs contain LEDs enclosed within standard A60 lamp casing made of glass
- Meets general lighting requirements with significant energy savings
- 330° x 360° light distribution for spherical illumination in decorative fixtures
- Direct replacement for 60W incandescent lamp with full glass envelope for even illumination
- Produces a warm light with a very wide spectrum for comfortable and pleasant lighting, particularly suited for residential environments and hotels
- Smooth Dimming with ELV or MLV & CL Leading Edge Dimmers
